

# PRESIDENT SIGNS AND HAILS NEW TAX LAW

## Administration Leaders Agree On Bill Outlawing Red Party

WASHINGTON (AP)—Congressional leaders agreed at a White House conference today to try to push through Congress a new bill to outlaw the Communist party as such.

In a session with President Eisenhower, the decision was to get the House to pass a measure declaring the Communist party is unlawful and without any rights.

It would not make membership in the party by individuals unlawful. But Speaker Martin (R-Mass) and Sen. Ferguson (R-Mich) said the government already can go after individual Communists, and is doing so, under the Smith Act, which makes it illegal to conspire to overthrow the government.

The new approach is intended to supplant a bill that whipped through the Senate last week which would make it a crime to belong to the Communist party provided a person committed an overt act while a party member.

Ferguson explained the plan agreed upon today approaches the question from the standpoint of the Communist party as such rather than individual members.

MARTIN and Ferguson, the latter chairman of the Senate Repub-

lican Policy Committee, said the new plan is acceptable to the administration. They said Atty. Gen. Brownell sat in on the White House discussions this morning.

Sen. Knowland (R-Calif.), the GOP Senate leader, told reporters he thought the House might pass the new bill today under a suspension of the rules. He said he also expects Senate

## Censure Vote Sought Before Fall Elections

WASHINGTON (AP)—Sen. Watkins (R-Utah) said today his special six-member committee will "take every possible shortcut" toward a report on censure charges against Sen. McCarthy (R-Wis) so the Senate can vote on the issue before the November election.

But Senators Knowland (R-Calif) and George (D-Ga) agreed that unless findings are ready for Senate action by the first week in October it may be impossible to get senators to interrupt re-election campaigns to return to Washington.

Watkins, who heads the bipartisan committee studying 46 accusations that McCarthy has not conducted himself as a senator should, said in an interview he hopes the group "can have a report ready by Oct. 1."

"I am reasonably sure that we can do it," he said, "but I don't want to set any time limit because our progress will depend on the amount of cooperation we receive."

Sen. Edwin C. Johnson (D-Colo.), the committee's vice chairman, predicted a report before Oct. 1. The Senate Democratic leadership, he said on a CBS television program last night, "wants a vote" on the censure issue.

Watkins said much testimony may be eliminated by accepting Senate documents produced in past investigations and by permitting McCarthy to make an explanation that he cares to give. He said the three senators who made charges against McCarthy will be asked to testify only about matters of personal knowledge in support of their charges.

The three senators are Flanders (R-Vt), Fulbright (D-Ark) and Morse (Ind-Ore). Their charges, a number of which overlap, range from accusations about McCarthy's financial affairs to contentions that he has ridiculed other senators and public officials.

McCarthy demanded yesterday that Flanders return from Europe, where he has gone for a three-week vacation, to repeat under oath the 33 charges Flanders made against the Wisconsin senator. Flanders, in London, said he would return at once if asked by Watkins—not McCarthy.

## Struck Airline Lays Off 1,900

CHICAGO (AP)—American Air Lines, struck by its pilots for more than two weeks, today laid off about 1,900 stewardesses, flight engineers and ground workers.

The air line today notified an additional 12,000 employees across the nation that their employment will be terminated in two weeks unless the strike is settled.

A spokesman for the 1,250 pilots of the AFL Air Line Pilots Assn., who walked off the job July 30, said there appeared to be little chance of an immediate settlement of the dispute with the air line.

## Rival Party Chairmen Trade Appraisals of Administration

CHICAGO (AP)—The chairmen of the two major political parties drew widely different appraisals of the Eisenhower administration today.

Stephen A. Mitchell, chairman of the Democratic National Committee, discussed GOP farm policies, foreign policy and the 83rd Congress at a meeting of the insurance section of the American Bar Assn., now holding its 77th annual meeting in Chicago.

Mitchell, in his prepared address, said America's farmers "are making four billion dollars

action this week on three other antisubversive bills that would make it easier to remove security risks who are employed in defense plants, tighten penalties for peace-time espionage, and deny pensions or other benefits to government employees who are convicted under loyalty actions or refuse to testify on such issues.

The administration had been dissatisfied with the bill passed by the Senate.

Without a dissenting vote, the Senate passed a bill providing stiff fines and jail terms for anyone holding membership in the Communist party and actively carrying out its purposes.

On Saturday officials close to the President described him as opposing the Senate measure on grounds it would make "propaganda martyrs" of the Reds, and reporters were told he planned to ask the House to kill it.

TO MEET the administration's objections, House leaders and Justice Department officials hurriedly drafted a new bill which would strip the Communist party of its legal status, but which omitted the Senate provisions aimed at punishing individual party members.

Although Atty. Gen. Brownell and FBI director J. Edgar Hoover have opposed any ban on the Communist party, saying it would only drive the party underground, the House draft was reported to have been accepted reluctantly in preference to the Senate bill.

Senate Republican leader Knowland of California told the Senate Saturday night he would be "very disappointed if there were returned to the Senate legislation that does not contain a provision outlawing the Communist party."

Sen. Humphrey (D-Minn), author of the provision which swept the Senate, said he would not stand for efforts to "scuttle" it. In passing the bill, the Senate backed to it an administration-backed measure which would deny Communist-dominated labor unions or other organizations rights under the Taft-Hartley law.

## U. S. Navy Ready To Aid Evacuation

ABOARD FLAGSHIP ESTES (AP)—U. S. Navy units today converged on Haiphong, Indochina, to begin what some experts call history's greatest mass civilian evacuation by sea.

The gigantic operation will move hundreds of thousands of Vietnamese from Northern Indochina before the Iron Curtain of communism falls there.

Rear Adm. L. S. Sabin, commander amphibious group, Western Pacific, will command the huge sea operations.

As many as 40 ships may participate in the operation. These will include transports, cargo ships and amphibious craft.

## 46 Refugees Die In Crash

SAIGON, Indochina (AP)—A twin-engine cargo plane evacuating Vietnamese refugees from Hanoi crashed in the Se Laone river near Pakse in southern Laos yesterday, killing 46 persons. Most of the dead were women and children.

Three of the four French crewmen and a Vietnamese woman and child were the only survivors. The plane had taken off from Hanoi for Saigon with the refugees, fleeing occupation of that area by the Communist-led Vietminh.

and 90 per cent of parity. Its aim is a better balance in agricultural production. And, any support level adjustments will be gradual—in line with the President's recommendations.

Hall said the House GOP members stood firm for the administration's "sound program, but the Democrats fought us."

OF THE administration's foreign policy, Mitchell said: "The raw isolationism of the 1920s was no more deadly than

## Conferees Schedule New Atom Bill Try

WASHINGTON (AP)—Congressional leaders indicated today that they may pry the atomic energy bill out of the congressional logjam the next day or so.

Speaker Martin (R-Mass) said after a legislative conference at the White House he would appoint House conferees to meet with those of the Senate immediately.

Chairman Ferguson (R-Mich)

## Conferees OK Compromise Farm Bill

WASHINGTON (AP)—A compromise farm bill carrying out most of President Eisenhower's requests was agreed upon today by a Senate-House conference committee.

It must still go back to the House and Senate for final approval. Passage appeared likely despite the rush for adjournment by the end of this week.

A deadlock which threatened to tie up the bill indefinitely was broken by agreement of a majority of House conferees to accept a lower level of dairy supports voted by the Senate.

Only Sen. Young (R-ND) of the eight Senate conferees, and Rep. Anderson (R-Minn) of the five House spokesmen, refused to sign the hardfought compromise which calls for dairy price supports at 75 per cent of parity.

Anderson insisted upon the higher dairy supports of 80 per cent voted by the House.

Argument over dairy supports led to an angry breakdown of talks Saturday but conference leaders later agreed to another meeting today after a weekend cooling-off period.

The renewal of talks was negotiated by Sen. Aiken (R-Vt) and Rep. Hope (R-Kan), who head the agriculture committees and the conferees of the two houses. This was viewed as a sign that Aiken and Hope were still optimistic about chances of a dairy dispute compromise.

## 125,000 Attend Assembly's Outdoor Service In Chicago

CHICAGO (AP)—Chanting voices, chiming bells and air-piercing trumpets roared above 125,000 persons in Soldier Field last night, a highlight of the first day of the Assembly of the World Council of Churches.

In a spectacle packed with drama and reverence, figures huddled in a pool of light raised their arms high as the hymn of "Come, Lord Jesus, Come" surged forth.

The outdoor service brought together believers of many creeds and customs in one of this country's greatest displays of Christian faith. The massive crowd, brought to Chicago by four special trains, 503 chartered buses and 9,300 automobiles from all over the nation, jammed the huge stadium and packed the entrances.

The number inside before the service began was estimated by Park District Police Chief George

## Crash Near New Holland Kills 2 and Injures 4; 2 Killed West of Here

Four persons were killed and six more were injured Saturday in similar auto accidents occurring at almost the same time, but about 50 miles apart, on route 22.

Both wrecks involved a car and a truck, and both took place shortly after 11 A. M.

The first was about two miles east of New Holland at the junction of routes 22 and 277. L. M. Doby of Bluefield, W. Va., pulled onto route 22 from 277, police said, and apparently failed to see a diesel truck driven by Lee R. Wymer until too late to avoid a collision.

Skid marks from the vicinity of the stop sign on 277 to the point where the truck smashed into the automobile indicated that Doby had tried to stop his car, but had applied his brakes too late.

There were seven persons in the Doby auto. Mr. and Mrs. Doby, taken in Kirkpatrick's ambulance to Memorial Hospital here, were pronounced dead on arrival. Two of their children, Louis, Jr., 13, and Elizabeth, 15, escaped serious injury and were discharged from Memorial Hospital Sunday.

Their third child, Maxine, 20, was still in Memorial Hospital on Monday, where her condition was reported "serious."

A cousin of the Doby children, Judy Craig, 13, and Lois Denny, 18, a friend, were also injured. Lois was taken in Kirkpatrick's ambulance to Memorial Hospital and then to Mt. Carmel Hospital in Columbus. She was reported to be suffering from a fractured skull and internal injuries. Monday, Mt. Carmel reported that her condition was still "critical."

Judy was taken to Memorial Hospital, where her condition was reported "good."

Lee R. Wymer, of Lancaster, driver of the truck, was treated at Berger Hospital in Circleville for a bruised shoulder and released.

His truck had tipped over, spilling its load of brewery mash. Kirkpatrick sent three ambulances to the scene of the accident and brought in all the passengers in the Doby car.

Services for Mr. and Mrs. Doby

will be held in Bluefield, W. Va. Tuesday. Kirkpatrick Funeral Home is in charge of funeral preparations here.

THE SECOND ACCIDENT occurred on Route 22 two miles west of Morrow.

Morrow H. Collins, 57, and William Federle, 35, were killed when their car and a gravel truck crashed.

Arnold Tedrick, 41, of Blanchester was the driver of the truck. He was not injured.

Collins and Federle, who lived near Cincinnati, were starting on a fishing trip when their car was wrecked.

## Goan March Proves Fizzle

'Liberation' Ranks Mostly Teen-Agers

NEW DELHI, India (AP)—The Goan nationalist drive to oust the Portuguese from India appeared temporarily stymied today. Indian and Portuguese police combined to keep yesterday's much-heralded "Liberation" invasion down to a mere trickle. There were no reports of any injured.

But one Goan nationalist leader vowed his group would march again—without warning.

Reports reaching New Delhi on yesterday's demonstration for the merger with India of Goa and Portugal's other 400-year-old holdings on the subcontinent gave this picture:

Indian police, apparently acting on government orders, banned Indian nationalists from taking part in the demonstration timed to coincide with this country's independence day celebration.

As a result, only small groups—mostly teen-agers—out of Goa's total population of 600,000 actually demonstrated.

AT THE MAIN Portuguese settlement of Goa, south of Bombay, only about 50 demonstrators crossed the border at three points. The Portuguese police arrested all of them.

Ishwarlal Desai, Socialist leader of the 1,200 would-be marchers on Damao, fired off a telegram to Prime Minister Nehru asking him to rescind his order forbidding Goans to take part in the demonstration. He received no reply and officials in New Delhi refused to comment.

Nehru gave the go-ahead Friday to the liberation march but he stipulated that the marchers must be Goans and must adhere to the Gandhian principle of nonviolence.

## Bavarian Strike Tone Milder

FRANKFURT, Germany (AP)—Oaths and catcalls replaced fists and clubs today as Bavaria's widespread metal workers' strike went into its second week.

Pickets jeered nonstrikers as they filed into Bavaria's big metal factories, but there was no repetition of last week's bloody rioting in which dozens were injured.

The new atmosphere was attributed to union and management appeals to end the violence.

## 125,000 Attend Assembly's Outdoor Service In Chicago

CHICAGO (AP)—Chanting voices, chiming bells and air-piercing trumpets roared above 125,000 persons in Soldier Field last night, a highlight of the first day of the Assembly of the World Council of Churches.

In a spectacle packed with drama and reverence, figures huddled in a pool of light raised their arms high as the hymn of "Come, Lord Jesus, Come" surged forth.

The massive crowd, brought to Chicago by four special trains, 503 chartered buses and 9,300 automobiles from all over the nation, jammed the huge stadium and packed the entrances.

The number inside before the service began was estimated by Park District Police Chief George

A. Otletwis as "more than 125,000." At the same time, an announcer said 30,000 were outside, unable to get in.

The stirring Festival of Faith came after the World Assembly opened with a morning worship service in suburban Evanston, with the 1,500 representatives from 161 denominations in 48 countries present.

"We have learned how to study, to speak, to stand and to serve together," Bishop G. Bromley Oxnam of Washington, one of five council presidents, said in a sermon. "We intend to stay together."

The dramatic evening service depicted in music and pageantry the creation of the earth and man, the rise of evil, the coming of Christ, his Resurrection and finally, the promise of a new world. It used a cast of 4,000.

## Bill Provides For Overhauling Revenue Plan

Republican, Treasury Leaders Witness Initialing Ceremony

WASHINGTON (AP)—President Eisenhower today signed into law the biggest tax revision program in history—what he called a "monumental" overhaul that will "benefit all Americans."

The new law, Eisenhower said in a statement, will "help millions of Americans by giving them a fairer tax treatment." At the same time, he added, it "will help our economy expand and thus add materially to the strength of our nation."

The new law brings about tax reductions of \$1,363,000,000 in the first year, and more later on, for millions of individuals and nearly all corporations.

In all, the initial year's tax cuts will total about \$1,363,000,000. This will be increased later as the new program takes full effect.

Invited to the White House signing ceremony were Republican congressional leaders and top Treasury officials.

Eisenhower has called tax revision the cornerstone of his entire domestic program. The measure makes no major changes in revenue rates but rewrites almost every tax law on the books.

Many Democrats contend the GOP tax program is slanted in favor of corporations and the wealthy.

Republican leaders argued that the tax changes will remove many "shackles" from business expansion, encourage growth, create more and better jobs for workers, and give the whole economy a boost.

THE MEASURE, nearly 1,000 pages in length and marking the first major tax revision since 1875, calls for changes along four general lines:

1. It eliminates what its sponsors call harsh inequities on many individuals with special needs or problems. These provisions include new or bigger tax deductions for medical expenses, retired persons, sick-leave pay, dependent children who earn more than \$600, mothers or widowers who pay child-care expenses while they work, and many others.

2. It includes a host of benefits for corporations and other business firms, in effect providing a whole new climate for the national economy. It permits much faster deductions for wear and tear on new equipment and buildings, a special deduction on stockholders' income from dividends, more freedom to pile up surplus funds for future expansion, more liberal treatment of research expenses, more liberal provisions for deducting losses in bad years from profits in good years, and many other such items.

3. The entire tax code is streamlined and clarified. Tougher penalties for evasion are included.

4. It plugs some 50 loopholes believed to have let some people duck their fair share of taxes.

The measure also extends the present 52 per cent corporation income tax rate for one more year, to bring in an estimated \$1,200,000,000.

ONE CHANGE affects all individual taxpayers: April 15—instead of the traditional March 15—is set as the deadline for filing income tax returns.

Most of the new benefits go into effect for the year which began last Jan. 1 and will show up in tax returns due next April 15.

## Rhee Talks Of Plan To Drive North

SEOUL (AP)—President Syngman Rhee chose Korea's independence day to announce a "certain plan" for driving the Communists from North Korea, and Red chieftain Kim Il Sung warned his troops to guard against attack from the South.

"This is not as yet a day of liberation," Rhee told a crowd of 30,000 yesterday in ceremonies observing the ninth anniversary of Korea's liberation from Japan.

"It is our hope that the United Nations will cooperate with us in pushing up to the Yalu River and in driving the Communists out of Korea," the 79-year-old President added. He did not elaborate on his "certain plan."

## New Committee For C of C Named

Health and Sanitation Programs in Offing

The first of several new Chamber of Commerce committees planned by the new president, Robert Terhune, today was all set up and ready to function.

It is the health and sanitation committee and it is headed by Dr. Thomas Hancock, the chairman. Other members include another physician, Dr. James Rose; two veterinarians, Dr. James McCoy and Dr. Richard Junk; the county sanitarian, Robert Quade; Miss Gretchen Darlington, the senior nurse of the Health Department, and Miss Christine Evans, Memorial Hospital administrator and a registered nurse.

Harris Willis is the Chamber of Commerce director affiliate.

The committee was set up in accordance with another new policy instituted by Terhune when he took over the reins of the organization. Under this plan, the committees are to be made up of members of the Chamber with only one director a member of them as an affiliate.

In the past, the committees were made up almost entirely of members of the Chamber's board of directors. And, directors headed virtually every committee. There were a few non-director committee men, but they were in the minority.

The new policy has reversed all that; the committees are made up almost entirely of non-director members.

THE DIRECTOR affiliate on each committee is there primarily as the liaison between the board and the committee. One of his duties will be to attend the committee meetings and report its proceedings to the board of directors, President Terhune explained.

The two vice presidents, Howard Wright and Charles Reinke, were charged with the responsibility of either seeing to it that the director affiliates are at the committee meetings or go in their stead.

The new health and sanitation committee is regarded as one of the most important of all the Chamber of Commerce committees here and also one with far-reaching and complex duties.

Although there was no mention of its contemplated program with the announcement of the committee personnel, it has been learned from reliable sources that among the problems it will take up are those concerning outside toilets and the Fayette County Fish and Game Association's charges of pollution in Paint Creek.

A member of the Chamber close to several of the committeemen said he understood that this committee, as well as all the others, had laid its plans to work in close cooperation with the Department of Health and the city administration.

Champion Steer Brings \$1.50 1/2 lb. At Wapakoneta

The grand champion steer of the Auglaize County Junior Fair at Wapakoneta brought his owner, Tom Shaw, 11, of Uniohopolis a check for \$1,640.45 at last week's auction at the close of the fair.

The Pangles Master Market of Lima bid \$1.50 1/2 a pound for the 1,090-pound Shorthorn.

That broke the record set last year when Pangles paid \$1.26 a pound for the champion.

The reserve champion, also a Shorthorn, brought 45 cents a pound. The top Angus steer brought 56 cents a pound on a bid by the Wapakoneta Rotary Club and the top Hereford brought 74 cents a pound.

Last week at the Clinton County Fair, the champion steer, a 965-pound Hereford, brought 96 cents a pound and three weeks ago, the champion of the Fayette County Junior Fair, also a Hereford, brought 51 3/4 cents a pound.

## New Store Here Opens Tuesday

Infant and Children Clothes Featured

A new store today was all set to become a part of the Court Street shopping district of Washington C. H. Tuesday.

After six months of extensive remodeling, Wise's Infant's & Children's Shop will have its grand opening right on schedule and just ahead of the back-to-school shopping rush.

Robert Wise, the proprietor, said the new store, which is separate in nearly every way but connected with the Wise's Store for men and boys, by a big archway, would carry a complete line of clothing for infants and children, both boys and girls, up to 12 years of age.

The stocks start with layettes and blankets and go right on through to suits and shirts for boys and dresses and coats for girls.

The store is unique in several ways; one of the most modern and different features is that of displaying everything on racks and tables, nothing in showcases.

All the fixtures, the most modern in design, were made and installed by the Morton Show Case Co. here.

MRS. CHARLENE Donohoe is the manager of the new store and Miss

home in Rainsboro, Saturday afternoon. She had been a medical patient.

Mrs. Anna Mustine was taken from the home of her daughter, Mrs. Roy Underwood, 720 Delaware Street to her home in Grove City, Monday morning, in the Gerstner ambulance.

Mrs. Donald Orihood, Route 3, was admitted to Memorial Hospital for emergency surgery and was released Monday afternoon.

Mr. and Mrs. James M. Wilson and family, have moved from 709 Columbus Avenue, to their newly constructed home on the James-town Road.

Mrs. Harold Justice and infant daughter, were released from Memorial Hospital, to their home, 432 East Temple Street, Saturday afternoon.

Miss Mary Waters, 736 Washington Avenue, was admitted to Memorial Hospital, Saturday about noon after suffering minor injuries in a traffic accident.

Mrs. Darlene Lemley, who had been a surgical patient in Memorial Hospital, was released to her home in Jeffersonville, Saturday afternoon.

Mrs. Farrell Estle, 504 Third Street, was taken to Memorial Hospital, Saturday afternoon, for medical treatment and later to University Hospital, Columbus, in the Gerstner ambulance, for further treatment.

Josephine Nolan is her first assistant.

The store room on East Court Street, between Fayette and North Streets, has been remodeled and redecorated from front to back and top to bottom. It is part of the D. T. McLean estate.

The ceilings and walls have been done in a light green and the floor is in pastel shades of green and beige.

Wise said that for the opening, back-to-school clothes for the other children would naturally be features, but that the stocks were complete now for all occasions and for all ages from babies to boys and girls.

The proprietor said he hoped the people of the community would come in Tuesday too look over the store. "I'm real proud of it," he said "and I think it will be just another attraction in the Washington C. H. shopping area."

There will be balloons for the kiddies at the Tuesday opening.

## Dr. John's Charges Creating A Bad Impression

More interest and concern has been noted in this community, probably the same elsewhere over the country, about the recent Dr. Otto John's interview with the press in the Soviet part of Berlin, than any other happening in a long time.

We hear people still talking about this and wondering whether the United States military activities are impressing the whole world with the idea that we are preparing for aggressive moves.

If people in this country get such notions, it is not surprising that many other foreign countries are inclined to think likewise.

From any angle, the well staged Soviet press conference with the former chief of the espionage setup of the Bonn administration in West Germany, following his desertion of the Soviets, was a masterpiece of Soviet strategy and propaganda.

Otto John charged that the United States is preparing for aggressive war and is dragging its reluctant European allies with it.

The most effective falsehoods often have some slight element of truth in them. It is true that the United States is preparing for war, and that it is nagging its Western Allies to do likewise. But it is true in a sense quite different from Dr. John's implications.

While the average American would insist that his nation is preparing for war in a strictly defensive manner—preparing for war, that is, in order to avoid it—how is he to correct Dr. John's accusation that the preparations are for an aggressive, a "preventive," war? Dr. John, after all, can cite innumerable Americans from hot-collar Senators and generals on

down who have in fact been trumpeting for just that kind of war.

President Eisenhower was swift to declare at his news conference that there is no such thing as "preventive" war, and that for the United States to initiate a war under that or any other guise is unthinkable. Eisenhower speaks for the overwhelming preponderance of Americans, and we can only hope that the peoples of both West and East will understand that.

The difficulty is that Europeans heed authoritative American expression far less than they do the sensational utterances of American freaks and windbags. They are prone to generalize on the most absurd incidents and characters in U. S. life.

It is a natural human tendency for people to want leaders to act with prudence and moderation. Most American leaders do; but unfortunately there also seems to be a natural tendency for Europeans, at least, to confuse leadership with notoriety and to give horrified credence to every Yankee crackpot who can make a headline.

The answer to the charges of Dr. Otto John, apart from that which President Eisenhower has given and will continue to give, can only be for all Americans to insist on sane propriety of utterance from all their public men.

Not all Americans on world display have yet attained to the intellectual responsibility and moral dignity rightly expected of citizens of the most powerful nation on earth. It is a matter of good sense and discipline.

## Kick Medal For Fighting Russians

By Hal Boyle

NEW YORK (AP)—Some people believe Edward J. Touhey Jr. ought to get the Medal of Honor.

But the U. S. Army, when it gave big Ed his goodby papers, stamped the word "undesirable" on them. This still grieves Touhey. He doesn't like being regarded as an undesirable hero.

"Either the Army should take me back into the service, or give me an honorable discharge," he said.

The point at issue is whether Touhey was right or wrong in knocking down eight Russian soldiers in Vienna five years ago.

"They say I caused an international incident," remarked Ed. "But I say the Russians started it. They got no right to push a man around and call him a spy. They got what they deserve."

The 6 foot 1 former military policeman now weighs 350, and he feels sad in every pound. But he was a mere 240-pound brood of a boy, not quite 20, when the event happened that ruined his military career.

"I never got to tell my side of the story at the time," he complained. Here is his version:

"I had spent a month in the hospital with athlete's foot. When I got out I stopped at a bar. I drank a bottle of cognac—maybe more.

"I must have drunk it too fast because when I left the bar to the barracks I got on the wrong streetcar and fell asleep. When I woke I saw I was in the

international zone and got off.

"I was feeling bad and leaned against the wall of the Imperial Hotel, holding my stomach. It was a Russian hotel. A Russian officer and two armed sentries came out and made me go into the hotel. The officer called me a spy and said I had been taking pictures of Soviet personnel. Then they stood me against the wall and forcibly searched me. They were pretty rough.

"The Russian officer said he still thought I was a spy, even though he saw I didn't have any camera. He said I must have handed the camera to someone passing by.

"Then he said he was going to turn me over to the American military police. I got scared. I thought it was a trick—that he would take me to the Russian zone, and I'd never get back.

"I made a beeline for the door. A sentry put his bayonet to my stomach. I knocked it away, and the Russian officer grabbed me from behind. That's when I went berserk. I saw red."

Touhey turned and kneed the officer, who cried out, and then Russian soldiers poured in from every side. Working with both fists and an iron chair, Touhey mowed them down. They overwhelmed him once, but he broke free and cracked through a plate glass door before another wave of Russian reinforcements finally grounded him.

"They stabbed me in the arm,

broke three of my ribs, put a three-inch gash in my head, and kicked out four of my teeth," Touhey recalled. "They also spit in my face and called me a capitalist dog."

International military police, attracted by the uproar, then came into the hotel and broke up the struggle.

"The Russians put the whole blame on me," Touhey recalled sorrowfully. "They said I'd fractured a colonel's skull and broken two guys' jaws."

Ed admits he made one serious error on that fateful morning.

"I shouldn't have drunk that cognac so fast," he said. "But I didn't start any trouble with the Russians. They did. And if I was in the same situation again I'd do the same thing. The Russians are no good."

"When I was in the hospital later, one of four generals visited me and said, 'As an officer I have to bowl you out, but as a man I'd like to shake your hand.'"

But Touhey, unemployed since he was laid off by a steel mill recently, believes the Army ought to take him back—or give him an honorable discharge.

"In three years with the Army I never went AWOL once," he said. "I understand they were even considering giving me a good conduct ribbon at the time this whole thing happened."

## Title of General of the Armies

By George Sokolsky

When I read President Eisenhower's really stirring defense of General George Marshall, I could not help wondering whether he gave a thought to his old chief, General Douglas MacArthur, under whom he served for about nine years as secretary of the General Staff, when MacArthur was Chief of Staff and later in the Philippines. MacArthur too has served his country 52 years and has been acclaimed as the greatest general we have produced since Robert E. Lee. No matter whether one agrees with his views, it is impossible to question his stature.

General MacArthur, since his summary dismissal by President Truman and Secretary of Defense George Marshall, has become a businessman, selling electric razors, typewriters and carbon paper. Perhaps he is less beset by gnawing politics in his present lucrative position, but to many Americans, the wonder is that our government can afford to waste such a great talent, particularly as Asia remains our most pressing problem. MacArthur was dismissed for being right, as we now know, at a time when his views were politically embarrassing to the administration in Washington. He was humiliated.

Is there to be no correction of the record or are we to wait un-

til MacArthur dies when even those who today scorn him will find it in their hearts to speak and write panegyrics in his honor? What a cortege of distinguished figures will follow him then! Need we wait for that? Does it not make more sense to pay him the honor that is due him now, while he is alive, and while he can accept the gratitude of the Republic, his son standing by to recall all his life that this country has the emotional maturity to rectify a mistake?

It has been suggested that he be given the title, "General of the Armies." It is an honorary title, only borne by General John J. Pershing, given to him by a resolution introduced in both houses of Congress on July 19, 1919, and adopted September 4, 1919.

"General of the Armies" is not a new title in our history. The rank was first created by Congress on March 3, 1799. No one was appointed to it and it ceased to exist in 1802 until it was revived in 1919 for General Pershing.

The rank of "General of the Army" was created in 1896 and was held by Generals Grant, Sherman and Sheridan. It lapsed in 1891, but was revived in World War II as a temporary rank until March 8, 1946, when it was made permanent, applying also to the Navy in the form of "Fleet Admiral." This permanent rank, "General of the Army," has been granted to Generals Bradley, Marshall, Arnold and Eisenhower. The rank of "Fleet Admiral" has been granted to Admirals Nimitz, Leahy, Halsey and King. It was not held by General MacArthur who was in command of our forces in Asia.

A curiosity of the act creating the rank, "General of the Armies," is the last line of the act, reading:

provided, that no more

than one appointment to office shall be made under the terms of this act."

In other words, the act could only be made to apply to General Pershing and to no one else. It cannot be made to apply to General MacArthur unless new legislation is passed. It would seem that that ought not to be difficult, considering General MacArthur's enormous services to his country. Of course, there will always be small, envious men, without sentiment for the monumental characters of this country, some of them whose roots are still in the European countries in which they were born although they have long been naturalized Americans, who despise MacArthur for his intensive nationalism, his singleness of purpose in upholding the prestige of his country. Such persons are bound to oppose any honors for General Douglas MacArthur, but they will be few and Americans can afford to ignore them and their small hatreds.

The time has come to remind the old General that the gratitude of the American people does not fade away. He has served his country valiantly and as he approaches his 75th birthday, it would be appropriate for the nation to give him this clearance of the record as a birthday present. What could be more gracious?

Diarrhea Is Common Abdominal Ailment

By HERMAN N. BUNDESEN

Diarrhea accounts for more than ten per cent of all the calls in many a doctor's practice. The

cases range from acute types, with frequent watery movements and vomiting, to some that are just a gradually increasing frequency of stools. Abdominal discomfort, cramps and nausea are not uncommon in this sort of upset.

Many Causes

The causes of diarrhea are many.

It may be due, especially in hot weather, to infected food, or food that has been allowed to stand too long and has germs growing in it. It may be due to drugs; or it may be due to the generalized condition of the patient. Most common diarrhea cases are of an infectious nature.

Most diarrhea cases stop by themselves. The patient is very uncomfortable for a few days. He doesn't think much about why he is sick, but just desires to get well.

Doctor Not Called

Since most diarrheas are not severe or prolonged, the patient does not call on his physician for immediate relief. If, however, the diarrhea persists over a long period of time, or is unrelenting, a careful examination by the physician should be undertaken in order to find the true cause.

Diarrhea often produces great weakness. If the person puts himself to bed for 24 hours, or until the diarrhea subsides, and if he uses an antispasmodic prescribed by his physician, the trouble will usually be relieved.

Food To Be Avoided

Usually, all food except tea or clear soup should be avoided during the first day. In some instances only cracked ice is permitted. Once the nausea and diarrhea have been controlled, a soft diet may be resumed.

Recently, a new drug called resion has been used with good results in controlling the immediate symptoms of diarrhea. It is made of resins which absorb and prevent further diarrhea. However, it should be used only under the direction of a physician.

## McDonald-Meadows Wedding Vows Read Saturday

On Saturday, August 14, Miss Mary Dorothy McDonald, daughter of Mr. and Mrs. A. B. McDonald, became the bride of Mr. Jerry Wesley Meadows, son of Mrs. Glenn Meadows of Paoli, Indiana, and the late Mr. Meadows.

Rev. Father Richard J. Connelly officiated at the double ring ceremony at eleven-thirty o'clock in the morning in St. Colman's Church.

The altar rail was decorated with arrangements of white flowers and white candles.

Miss Margaret McDonald was at the organ for the nuptial music and also played the processional and recessional marches.

The bride was attended by her sister, Mrs. Robert B. Allen, of Houma, Louisiana, as matron of honor, and a younger sister, Miss Ann McDonald, was bridesmaid.

Mr. James Crouse of Paoli, Indiana, was best man for the bridegroom and ushers were, Mr. Howard McDonald, brother of the bride, Mr. Bud Scheline of Fort Wayne, Indiana, Mr. Needham Herst and Mr. Lew Urshall of Indianapolis, Indiana.

The bride, given in marriage by her father, was lovely in her waltz length gown of white lace over satin, fashioned along princess lines, with a square neckline edged with scallops of lace, cap sleeves and a full skirt worn over a crinoline petticoat.

Her long mitts were of matching lace and her waist length circular veil of imported English illusion was held in place with a white satin cap with scallops of plaited nylon, encrusted with seed pearls framing her face.

Her bridal bouquet was of white roses and baby mums centered with a yellow throat, white orchid, with white satin cascaded streamers knotted with tufts of white nylon net.

The honor attendant was wearing a heavenly blue, iridescent silk shantung dress, waltz length with a wreath of pink roses in her hair, and she carried a colonial bouquet of pink roses backed with tufts of pink nylon net.

The bridesmaid was wearing a white embroidered organza dress, waltz length, with a band of pink roses in her hair and her bouquet was similar to the honor attendant, fashioned of pink roses.

Following the wedding a breakfast and reception, including 125 guests, was held at the Washington Country Club, and Mrs. McDonald received the guests in a navy sheer crepe dress, with navy velvet accessories and a corsage of yellow roses.

Mrs. Meadows was wearing a navy lace dress with navy velvet accessories and her corsage was a white orchid.

The reception table was centered with a lovely arrangement of white roses and mums flanked with white tapers in crystal candleabra and a three tiered wedding cake topped with the traditional bride and groom, surrounded at the base with smilax and white pom poms.

Mrs. Frank Weade, sister of the bride, and Mrs. Robert Haines served the wedding cake with Mrs. John Burr presiding over the coffee service. Miss Sandra Griffith and Miss Jean Ann Boylan presiding over the punch bowl, and Mrs. Clyde McCray, Miss Patricia Boso, Miss Nancy Kimmy, Miss Rebecca Waters also assisting.

Following the reception the couple left on their honeymoon, to be spent on Lake Michigan, and the bride wore for traveling a charcoal sheer cotton dress with black velvet trim and accessories of black, with her white orchid from her wedding bouquet pinned on her shoulder.

The bride, a graduate of Wash-

## David Foster Is Presented In Recital

David Foster, son of Mr. and Mrs. Howard Foster, of Bloomingburg, who began the study of piano at the age of seven and has been a student of Mrs. Robert E. Willis since the age of nine, gave a finished recital at the First Baptist Church on Sunday at four-thirty o'clock, with Misses Linda Lovell and Jo Davis as ushers.

Davis is the first boy student who is majoring in music in the past twenty years, and his talents extend far beyond his high school years in his skillful technique.

He also plays beautiful accompaniment as well as solo work, and the past spring he won entrance tests to Oberlin Conservatory of Music, where he will enter in the fall term to major in piano and organ.

His program follows in three parts, which is made up of classic, romantic and modern compositions. Sonata in G Major, No. 5 by W. A. Mozart.

Prelude in D Major, No. 5 by Johann Sebastian Bach.

Two Preludes, F Major, F Minor, Op. 28 by Chopin; Carnival, Opus 9 by Schumann; Prelude in G Minor, Op. 23, No. 5 by Rachmaninoff; Valse Caprice by Cyril Scott and Witches' Dance by Edward A. MacDowell.

A tea on the lawn at the home of Mrs. Willis included sixty guests with Mr. and Mrs. Foster as host and hostess.

Out of town guests included were, Mr. and Mrs. E. C. Reinmueller, son, Ross, of Dayton, Mr. and Mrs. Paul Cameron of Greenfield, Mr. and Mrs. John Ransbottom, Mrs. W. E. Buchholtz of Roseville, Mr. and Mrs. Rollin L. Smith, Mr. and Mrs. John Buchholtz of Springfield, Rev. and Mrs. L. E. Buchholtz of Belleville, Rev. and Mrs. Paul H. Buchholtz of Toledo, Mr. and Mrs. John Yates of Jackson, and Mr. and Mrs. John Glenn of Washington, D. C.

## Callenders Hosts At Picnic Dinner

Mr. and Mrs. D. C. Callender entertained at their home near Mt. Sterling, at a picnic dinner on Sunday and those included were: Mrs. Hazel Wright, daughter, Georgiabel, Mrs. Calvin Otey, daughter, Dianne, Mr. and Mrs. Grover Gault, of Washington C. H. Mr. and Mrs. Donald Post of Worthington.

Mr. and Mrs. D. C. Callender, attended Indiana University for two years. The bridegroom attended Paoli High School and Culver Military Academy and will enter Indiana University in the fall term as a senior.

They will establish their home in Paoli, Indiana.

Use the open ends of tin cans, in various sizes, when you want to cut rounds of bread for pretty summer sandwiches and canapes. You can make the sandwiches interesting by using one round cut from white bread along with one round cut from whole-wheat or rye bread.

## Founder Dies

CLEVELAND (AP)—Funeral services will be held tomorrow for Daniel Sherby, a founder of the Cleveland Browns professional football team, who died yesterday after a long illness. He was 46.

## Young Ohio Artist To Have Show Here

A young Ohio artist, William Blakesley, is to have a showing of original prints at the Flower Shop here, Aug. 23-28.

Although only 33 years old, he has been head of the art department of Muskingum College at New Concord since 1946. Previously he taught drawing and painting at Ohio State University, at the University of Florida and at the Zanesville Gallery of Fine Arts.

He holds a bachelor of science degree in education and a master's degree in arts from Ohio State.

This year was spent as "artist in residence" at Muskingum College and traveling through the western states. He financed his activities this year by selling shares in his work.

Although primarily interested in painting, he has done much work in print making, especially in the silk screen and lithographic processes. He has used children, circus scenes and landscapes for subjects mostly in this field.

He has been exhibiting his work regularly in many state and national shows and has won a number of awards. Among the larger shows at which he has had his work are Buffalo Print Club; Art Association of Newport, R. I.; Northwest Territory Art Exhibit and Philadelphia Print Club; National Print Biennial at Albany, N. Y.

He also has held a number of one-man shows throughout Ohio, similar to the one that is to be held at the Flower Shop here. Blakesley, who is married and two

children, plans to be here in person on Aug. 23.

## Quint Suffocated, Doctor Explains

MONTREAL (AP)—The Quebec medico-legal expert who performed an autopsy on quintuplet Emilie Dionne explained last night that she accidentally suffocated herself in her pillow during an epileptic seizure.

Apparently anxious to dispel any

notions that Emilie died of epilepsy. Dr. Rosario Fontaine amplified his earlier findings.

Fontaine said that following his investigation last Saturday he had announced that the 20-year-old girl "died of acute asphyxiation during an attack of epilepsy."

"This declaration was exact," he said last night, "but perhaps incomplete because I omitted to state that the victim had accidentally suffocated herself in her pillow."

## Only Four Golfers Left In Champion Tourney; 40 in Mixed Foursomes

Mrs. Sam Parrett and Wayne Shobe turned in the low net score for Sunday's Scotch mixed foursome with Mrs. Ralph Bray and Ed Vollette second.

Bill McLean and Mrs. H. F. Schlue had the low gross score and Dwight Coffman and Mrs. Dick Davis were next.

Sam Parrett and Mrs. Wayne Shobe and Robert Crane and Mrs. J. E. Dabe tied for the fewest putts with 14 on nine holes.

The blind bogey was won by Dr. C. G. Hayes and Mrs. Ken Johnson. Second were Bob Link and Mrs. Mary Gillespie and third W. Newhouse and Mrs. Merle Boyle.

Net score for the event were: Ed Vollette and Mrs. Ralph Bray 31; Charles Buxton and Mrs. Ed Vollette 32; Wayne Shobe and Mrs. Sam Parrett 22; Sam Parrett and Mrs. Wayne Shobe 31; Bill McLean and Mrs. H. F. Schlue 36; H. F. Newhouse 32; Robert Crane and Mrs. J. E. Dabe 38 and J. E. Dabe and Mrs. John Ledford 29.

WHILE THE interest Sunday day centered on the Scotch mixed foursome and all of its social side-lights, the tournament has not been cast aside more than temporarily. Only four are left in the championship flight and the deadline for the third round of matches is Aug. 22.

The fields in the tournaments were cut down by these matches in which Cornwell beat Wayne Shobe 1 up; Frank Truitt beat Dick O'Brien 4 and 3; Delmar Mowery beat Bud Dawson 4 and 3; Charles Buxton beat Dr. Robert Hagerty 35.

## Jeffersonville Wins Game at Mt. Sterling

Jeffersonville's baseball team tightened its grip on first place in the little four-team community circuit and the Mt. Sterling boys sank just a little deeper in the cellar when the Jeffersonvillians piled up a lop-sided 16 to 6 victory at Mt. Sterling Sunday—but everybody had a lot of fun.

Although it wasn't much in the way of a ball game for four innings, during which the Jeffersonvillians accumulated a 9-0 lead, the home boys got going a little better in the fifth inning—but that was too late to overhaul the leaders.

Five of the Jeffersonville outfit fattened their batting averages by getting three or more hits. Coe hit one for the circuit for Jeffersonville and Woodrow clouted a homer for Mt. Sterling.

Skilings was the master of the situation all the way although he did relax a bit after four frames. He fanned nine and gave up only three bases on balls.

Hux, Anderson and Satterfield, who shared the pitching chores for Mt. Sterling set five of the visitors down on strikes and walked six.

Solid hitting accounted for most of the Jeffersonville tallied although the Mt. Sterling crew did commit four errors.

## Game Muddled Out At Milledgeville

One of two Community League games scheduled for Sunday had to be postponed because of the rain during Saturday night and early Sunday morning.

The boys from Good Hope were slated to tangle with the Milledgevilleans on the Jasper Township lot, but the diamond was too wet for the best brand of baseball and it was called off.

This game was all-important to both teams. If the Good Hoppers had won it, they would have been pretty solidly established in second place, but had the Milledgevilleans taken it, the two teams would have been in a deadlock behind the first place Jeffersonville outfit and ahead of the cellar-dwelling Mt. Sterling crew.

There are four games left on the regular schedule, but the playoff date for this one was not announced. Indications were that it would not be set definitely until Tommy Smalley, the Good Hope headman, gets back from a vacation and fishing expedition in Canada.

In the other game Sunday, the high flying Jeffersonville aggregation took a 16 to 6 decision at Mt. Sterling.

KRON, Ohio (P)—Plucky Dick Kemp just couldn't seem to get the grin off his freckled face long enough to talk. For a guy who hated to be just second in anything, it was a wonderful feeling to be first.

"I feel great!" he finally blurted to a reporter yesterday, and he had a perfect right. The sturdy, 14-year-old from Los Angeles had just won the 17th All-American Soap Box Derby and a \$5,000, four-year college scholarship.

Carrying his lucky silver dollar and wearing a favorite, though weathered pair of red leather moccasins, Dick and his blue racer flashed down the 975.4-foot Derby Hill track in 27:80 seconds in the final heat, his slowest time of the day.

He was just an inch or so ahead of Gary Miller of Long Beach, Calif., the second-place winner, who in turn was just barely ahead of the third-place John Kirtley of Evansville, Ind.

The field of 151 entries, each a champion in his own hometown, ran off the derby in about an hour and 50 minutes yesterday instead of the usual two and a half hours. Officials had feared rain would drench the contestants and 60,000 spectators at the outdoor event and speeded up the heats. No sooner was the final heat finished, than the rain started.

## Olson Puts Title On Block Friday Night

NEW YORK (P)—Boxing fans who go for ring science are in for a treat this Friday night when middleweight champion Carl (Bobo) Olson defends his title against Rocky Castellani in San Francisco's Cow Palace.

The two 160-pounders are among the most skillful fisticuffers in action today and among the most successful. The 26-year-old champion from San Francisco will be seeking his 16th straight win. Castellani, a 27-year-old ex-Marine now living in Cleveland, has swept his last 10 scrapes.

This one should be interesting because of Bobo's aggressive, buzz-saw style. The champ likes to move in and swing away. Castellani, on the other hand, prefers to have an opponent come to him and Olson certainly won't disappoint him.

Starting time for the 15-rounder is 9 p. m., EST. NBC will broadcast and telecast the show.

NEW YORK (P)—Willie Mays, who a few weeks ago was far ahead of Babe Ruth's pace the year the Bambino hit his record 60 home runs, today was just even with the Babe. Ruth hit his 37th homer in the Yankees' 114th game Aug. 16, 1927. Mays connected with his 37th in the Giants' 114th game yesterday.

CHICAGO (P)—Three Ohio girls are entered in the National Girls' Tennis Championship which starts here Tuesday. They are Carolyn Wikoff, Carol Wright and Lynn Lawson, all of Middletown.

## Toski, At 27, Is Youngest 'Tam' Winner

CHICAGO (P)—On a course where par meant nothing, Bob Toski used one yesterday to win the equivalent of \$100,000.

His final round of 72—put together the weirdest fashion in tournament history—gave him the "World" title at Tam O'Shanter and \$50,000 in cash plus an exhibition contract worth just as much.

The 27-year-old, at 27 the youngest Tam winner, settled for a 72-hole score of 274. This was 14 strokes under par, with brilliant rounds of 67-65-70 and the finale of par 72.

By one stroke he beat out Earl Stewart Jr., the money-hungry 54-hole leader from Dallas, who blew to a closing 74, and Jack Burke Jr., also a Texan, who did the last 18 in 69. Each of the runners-up, who locked with 275, collected \$7,500 as shares of a \$150,000 purse distribution.

Lloyd Mangrum took fourth place with 277 and Walter Burke, fifth with 278.

Other "World" champions crowned were:

Women pros — Worth \$3,000 — Patty Berg with a 6-under-par 298, three strokes ahead of Louise Suggs.

Women amateurs — Mickey Wright of San Diego with 309, two ahead of defending champion "Wiff" Smith.

Men amateurs — Frank Strahan, for the fifth straight time, with 284, one stroke ahead of Arnold Palmer of Cleveland.

WASHINGTON, Pa. (P)—Teams of 13 and 14-year-old boys—each youth perhaps dreaming of becoming another Babe Ruth or Carl Hubbell—were set for the opening today of the Pony League World Series.

## Hack Joins Braves' Chorus

MILWAUKEE (P)—The Milwaukee Braves aren't the only ones who think they can go all the way to the National League pennant.

Stan Hack, manager of Chicago's Cubs, jumped on the bandwagon today. The Braves swept a three-game series from the Cubs, ending with yesterday's 2-1 victory.

"They definitely could make it," said Hack. "They're getting better and better. The breaks are going their way and they're making the most of them. It's a real live ball club and I think they could make it."

"We're going great and the boys think they can do it," Manager

## Air Hostess Leads 37 From Burning Plane

BLACKBUSH AIRPORT, England (AP) — A calm Irish hostess held the door of her burning airliner open here yesterday as all 37 Britons aboard filed out to safety. A few minutes later all but the tail section of the plane burned.

The chartered Viking airliner, belonging to Airwork, Ltd., crashed-landed after one engine failed following takeoff. A wing and an engine snapped off as the aircraft

belly-landed short of the runway and caught fire. Nine passengers were taken to a hospital at nearby Oxford for observation. The hostess, Beryl Rothwell, discounted her own role in the crash, paying tribute instead to the passengers. "They behaved as coolly as though an air crash were an every-day incident," she said.

## Phone Company Merger Approved

COLUMBUS (AP)—Stockholders of the Pandora Mutual Telephone Co. in Putnam County—each of whom own their own telephones and lines—voted last night to merge with the Community Telephone Co. of Leipsic, the state utilities commission announced today.

The Pandora company numbered several hundred subscribers, and 134 voted for the merger and 25 against.

Under terms of the agreement, the community company will take over all Pandora assets effective Oct. 1, and give Pandora subscribers stock in exchange.

C. H. Lindau, Pandora president, said the biggest advantage to the merger would be improvement in long distance service. The Community firm plans to convert soon to the dial system.

REIL G. ALLEN  
Judge of the Probate Court  
Fayette County, Ohio  
No. 6268  
Date August 12, 1954  
Attorney Junk & Junk

**ORDINANCE NO. 608**  
Amendment of Section 2 of Ordinance No. 600, passed April 28, 1954.

Whereas, the Council of the City of Washington has heretofore passed Ordinance No. 600 to provide for the issuance of bonds in anticipation of the collection of special assessments for the improvement of certain streets in said City of Washington, and,

Whereas, the City wishes to amend said Ordinance so as to provide that interest on certain bonds, being issued by said City and being specifically described in Ordinance No. 600, be payable on the 1st day of March and September of each year, instead of the 1st day of November and May of each year as specified in Ordinance No. 600.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WASHINGTON, FAYETTE COUNTY, OHIO:

SECTION 1. That Section 2 of Ordinance No. 600 be amended so that it reads:

Said bonds shall be signed by the City Auditor and City Manager, bear date of May 1, 1954, and shall be due and payable as follows:

Date of Maturity	Nos.	Amount
September 1, 1955	1	\$455.51
September 1, 1956	2	450.00
September 1, 1957	3	450.00
September 1, 1958	4	450.00
September 1, 1959	5	450.00
September 1, 1960	6	450.00
September 1, 1961	7	450.00
September 1, 1962	8	450.00
September 1, 1963	9	450.00
September 1, 1964	10	450.00

Said bonds shall be of the denomination of \$450.00 each, except bond numbered 1, which shall be of the denomination of \$455.51, bearing interest at the rate of 3 percent per annum payable semi-annually on the 1st day of March and September of each year, and for which the proper interest coupons bearing a facsimile signature of the auditor shall be attached to and made a part of said bonds, provided, however, that if said bonds are sold bearing a different rate of interest than hereinbefore specified, such bonds shall bear such rate of interest as may be provided for in the resolution of council approving the award thereof. Principal and interest shall be payable at the First National Bank of Washington Court House, Washington, C. H., Ohio.

SECTION 2. That Section 2 of Ordinance No. 600 of the City of Washington, passed April 28, 1954, be and the same is hereby repealed.

SECTION 3. That by reason of the fact that this Ordinance is an amendment to Ordinance No. 600, and by reason of the fact that this proceeding is concerned with the immediate financing of a sanitary sewer construction which is conducive and necessary for the preservation of public health, convenience and welfare, this Ordinance is hereby declared to be an emergency measure necessary to the peace, safety and welfare of the citizens of the City of Washington and shall take effect and be in force from and after its passage.

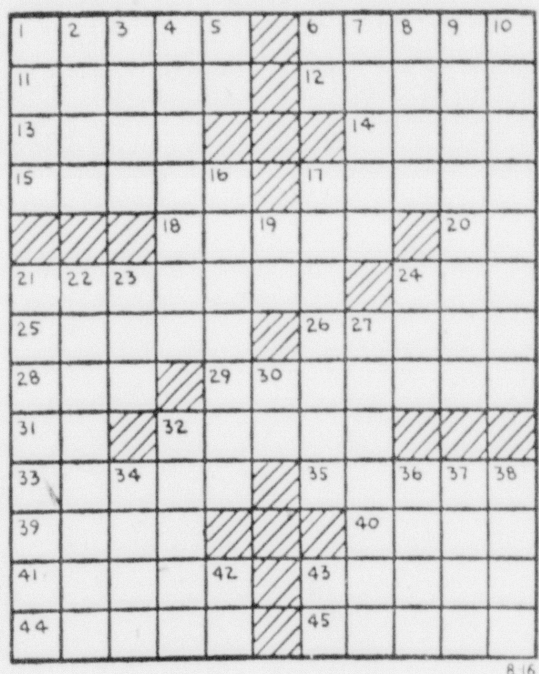

Passed August 11, 1954.

## DAILY CRYPTOQUOTE—Here's how to work it:

One letter simply stands for another. In this example A is used for the three L's. X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A lady doctor is making a study of folks who live to be 100... and if you're interested in hitting the century mark you might want to take a note or two. Seems like 98% of the old-timers have been married. Which is some kind of contradiction to the fellow who said married people don't like longer... it just seems like it.

The Doc says, "Centenarians show little tendency toward elation or depression, but they are optimists. They are willing to live and let live. They have many friends and a good sense of humor and they spend little time prating about 'the good old days.' They keep busy in the present." So be optimistic, friendly, humorous, and busy. Even if you don't live to be 100... you'll have a lot more fun.

Attended the Clinton County Fair last Thursday. Saw a lot of old friends I hadn't seen for years. We showed Herefords all afternoon and did very well. We were fortunate in having Champion and Reserve champion in both bull and female classes and that's something. Clinton County had a fine live stock show all around. A lot of dairy cattle, hogs and sheep.

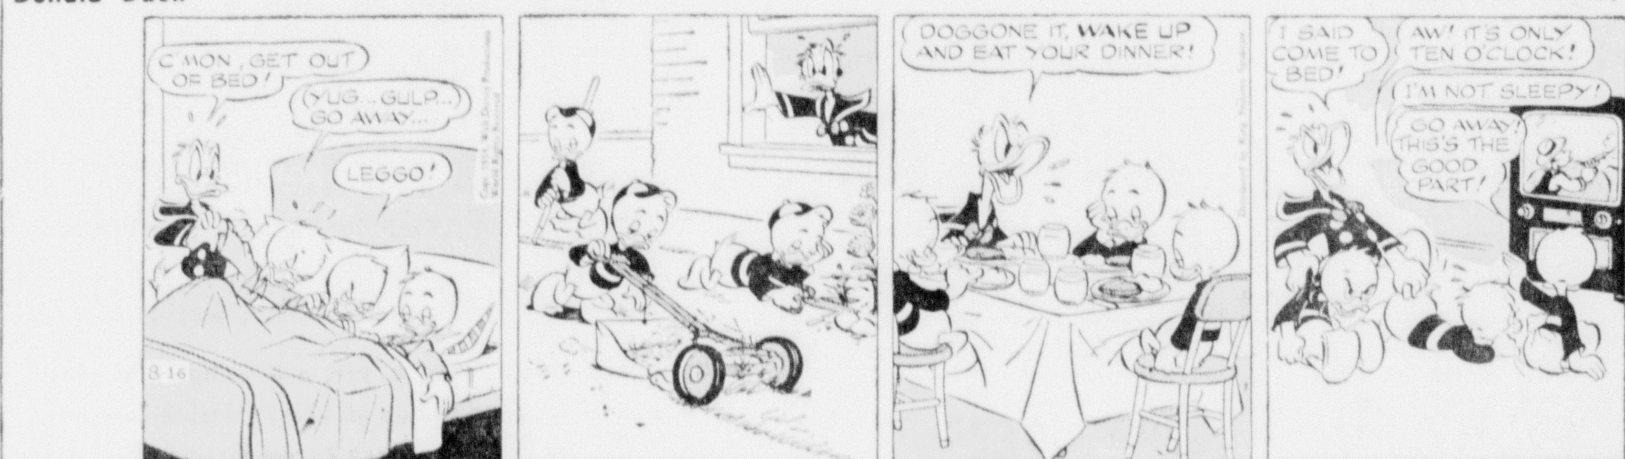

If I've got a slightly used air conditioner for sale. But I'm certainly enjoying these cool days. We in this area should certainly be thankful for the excellent crops of wheat, barley etc., and now corn and soy beans never looked better. I'll say again, it pays to pay the preacher. A Pittsburgh man who, hardly knew which end to hold the caddy went out for his first game of golf and made a hole in one. He better quit while he's ahead. You're never ahead when you postpone need auto repairs and safety checks. Postponing that wheel alignment, for instance, just means increased wear on your tires... and greater cost in the long run. For expert wheel alignment and balancing, and for complete automotive service on your car, see R. Brandenburg Motor Sales, Inc. 524 Clinton Ave. Phone 2575.

# Decision On Sugar Creek Is Not Yet Ready

Commissioners Await  
Return of Prosecutor  
For a Conference

Aside from approval of bills and attending to other routine matters the county commissioners at their Monday meeting, had little business before them.

No decision has been made, they stated, with reference to granting the proposed Sugar Creek improvement, by dredging and grubbing out brush and small trees for a distance of 15 miles from the Madison County line. The improvement cost to property owners was estimated at approximately \$50,000.

The commissioners who held the hearing on this waterway improvement in the common pleas court room on August 2, had taken the matter under advisement. Monday they said that a decision would be delayed a short time longer because some legal questions were to be further considered which they desired to discuss with County Prosecutor John Bath, who has been out of the city on vacation.

ACCORDING to the record book of official actions of the board of commissioners, the minutes show that during the past week a total of \$323.40 was allowed from the county's dog and kennel fund for the payment of sheep owners' claims for animals recently killed by dogs.

These animal claims and witness fees were paid to the following individuals: Dale Alexander, Verner Bock, Guy Bock, Leo Miller, Homer Lewis, Frank Fortier, William Anderson, Charles McCoy, R. S. Waters, Clovis Graves, Walter Gorman, Raymond Anderson, H. S. Grimm, Lyle C. Hanawalt, Courtney M. Gibbons, Elmo Wilson and C. R. Shoemaker.

## Isaac Leeth Dies After Long Illness

Isaac W. Leeth, 89, died Sunday at 1:20 P. M. at his home, 1128 Grace Street, following three months of serious illness. He had been in failing health, however, for the last five years.

He was a native of Ross County but had lived here for the last 42 years. He was a member of the House of Prayer, on Washington Avenue, of which his brother, Rev. Henry C. Leeth, is the pastor.

Mrs. Leeth died in 1935 but he is survived by three daughters, Mrs. Ella Henry of Frankfort, Mrs. Mabel Merritt of Washington C. H. and Mrs. Estel Ackley of Douglas, Ariz.; 12 grandchildren; 17 great-grandchildren and four great-great-grandchildren. Another brother, William H. Leeth, lives at Worthington.

Funeral services are to be held at 2:30 P. M. Tuesday at the House of Prayer. Interment is to be in the Washington C. H. Cemetery under the direction of the Gerstner Funeral Home.

Friends may call at the Leeth home, 1128 Grace Street, after 7 P. M. Monday.

## Final Tributes Paid Mrs. Julia Rankin

Relatives and old friends paid their final tributes to Mrs. Julia Rankin, widow of Lee Rankin, at funeral services at the Gerstner Funeral Home at 3 P. M. Saturday.

Rev. W. S. Alexander, a retired minister, who conducted the services, paid a personal tribute to Mrs. Rankin, read the two hymns, "Rock of Ages," and "Abide With Me," and the poem, "Beyond," quoted the Scripture and offered prayer.

The pallbearers, who also took care of the floral remembrances, were Harold and William Hewitt and Herman, Ulric, Eugene and Robert Acton.

Interment was in the Washington C. H. Cemetery.

## Marion FB Council Discusses Health Topic

"How Can We Keep Well?" was the topic of discussion at the last meeting of the Marion Farm Bureau Council. N. B. Fannin led the discussion, which brought out the importance of proper diet and regular living.

The council's annual picnic was held Aug. 12 at Worthington.

Mrs. N. B. Fannin, Mrs. Preston Dray and Mrs. Joseph Owens served refreshments at the close of the meeting.

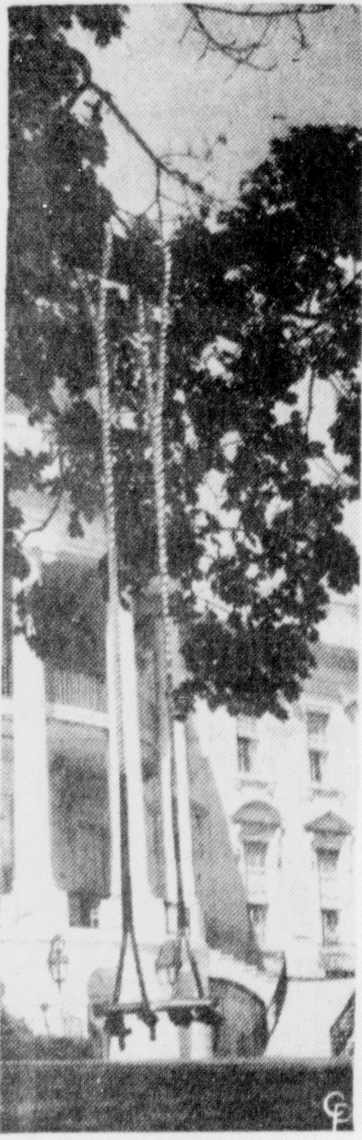

The Roman Colosseum, the ruined skeleton of which still stands, was built between 72 and 80 A. D.

## Rubber Wage Talks Resume

CLEVELAND (AP)—Contract talks continue today between the CIO United Rubber Workers Union and each of the rubber industry's "big four" producers, two of which are crippled by strikes.

The walkouts have idled more than 48,000—or about a third—of the industry's workers.

Latest firm hit was the Firestone Tire & Rubber Co., whose 25,500 employees left their jobs in 10 plants across the nation Thursday night.

Firestone and union negotiators are meeting in Cleveland, as are officials from Goodyear Tire & Rubber Co., which was struck July 7 by its 23,000 workers.

## Boy, 4, Shot

YOUNGSTOWN (AP)—Two teenage baby sitters were the subject today of a police investigation into the fatal shooting of four-year-old Larry Butler. The child was shot while he was in the bedroom of his home Saturday. Police said the two boys, 13 and 14, were minding him while his father, William, was working in a steel mill and his mother was on a shopping trip. Police said a preliminary report showed the child had been standing in front of a dresser, as a 25-caliber automatic pistol went off. A bullet went through his upper lip.

## Rival Party

Hall said the administration, burdened with a rather grim legacy when it took office, "was immediately presented with six highly critical situations," which he listed as Korea, Guatemala, Iran, Suez, the European Defense Community and Indochina.

"The outcome of five of these six tests can be termed a plus," Hall said. "To be candid, the sixth (Indochina) must be accounted something of a minus for reasons quite beyond control of this administration."

Concerning economic conditions under the administration, Mitchell told the group:

in a recession. You know production and income are not where they were or where they ought to be. Secretary Weeks might be able to stimulate the economy by using next year's funds this year just before election, but there will be a compensating loss of stimulus after election."

HALL SAID: "For the first time in the recent history of politics, we

have witnessed the curious spectacle of a party caught flat-footed by good times. For that is exactly what happened to the gloom and doom division of the Democratic party which, only a few months ago, was crying 'Wolf!'

"This wolf, of course, was at Uncle Sam's economic door and ready to move in."

"We all know this fancied depression never came off."

## 21 Cases Pending Before Grand Jury

The case of Gerald Gene Johnson, bound over to the grand jury Saturday in \$2,000 bail, became the 21st awaiting the jury.

Johnson, arrested on charges of breaking and entering two service stations here, did not enter a plea at his appearance in Municipal Court. He was represented by Otis B. Core.

Commenting on the unusually large number of cases held for the grand jury, Sheriff Orland Hays said he expected the cases would be heard "sometime in September."

Prosecutor John Bath is out of town on vacation. The grand jury will not be called until his return.

## Earl McCullough Dies In Greenfield

Seibert Earl McCullough, 44, died suddenly at 10:15 P. M. Sunday at his home in Greenfield.

He is survived by his wife, three sons, Donald and Thomas, both living at home, and John, in the U. S. Navy; and a daughter, Jany Lou, at home.

Mr. McCullough was born and raised in Greenfield, and was a member of the First Baptist Church there. He had been the assistant engineer of the Greenfield schools for eight years.

Funeral services will be at 2 P. M. Wednesday at the First Baptist Church under the direction of Rev. Donald Hoffman. Burial will be at the Greenfield Cemetery.

Friends may call at the Struewe

Funeral Home in Greenfield between 7 P. M. Monday and noon Wednesday.

## Motorist Killed

AKRON (AP)—Gerry Puszak, 27, of Cleveland, was helping push one

car on Ohio 18, one-half mile west of here, late yesterday when a second car struck and killed him, the state highway patrol reported. The patrol said Puszak was pinned between the two vehicles.
